Pre-Convention Workshop
Pennsylvania Pesticide Applicators' License Training
January 30, 2023

9:00 a.m. to 4:00 p.m.
Fee - \$75 includes lunch
and course and study materials.

If you intend to purchase and/or apply restricted use pesticides for the purpose of producing an agricultural commodity on land which is owned or rented by you, then you need a Pennsylvania Department of Agriculture Pesticide License. To become a certified private applicator, testing is required. This full day session on January 31 will cover the basics and prepare you for the pesticide applicator's exam which will take place the next morning, January 31, from 8:30 AM – 11:30 a.m.

*Presented by the Pennsylvania Vegetable Growers Association
and Penn State Extension
in cooperation with the Pennsylvania Department of Agriculture.*

Pre-registration is required.
Register with the group of your choice [here](#).
