Pre-Convention Workshop
Spotted Lanternfly Permit Training
January 30, 2023

1:00 p.m. to 3:00 p.m.
Fee - \$25 for all growers

Spotted lanternfly is an invasive insect that can damage many crops. Learn best practices to stop its spread and receive the required SLF permit for movement of products or vehicles throughout Pennsylvania. A permit shows other businesses and states your due diligence to avoid transporting SLF to new areas. This 2-hour session will include the required education and exam to get the SLF permit.

Instructors:
Amy Korman, Penn State Extension Team

*Presented by the Pennsylvania Vegetable Growers Association
and Penn State Extension in cooperation with the Pennsylvania Department of
Agriculture.*
